

Annales de Physique

publishes original and high quality articles
and monographs on all aspects
of physics research.

An ideal arena for young researchers to publish their work

Prices 2009 (Euros without VAT):

	Print + Online	Online
France	455	390

Universal coverage of physics issues

Annales de Physiques has served as a benchmark in its field for nearly 100 years, and is still today an ideal arena for young researchers to publish their work.

Areas covered: Astronomy - Astrophysics • Atomic and Molecular Physics • Classical and Quantum Optics • Condensed Matter Physics • Nuclear and Particle Physics • Physics of Biomolecules • Physics-Biology interface • Statistical Physics.

At least 8 good reasons to publish in *Annales de Physique*

The highest scientific review standards

Annales de Physique only selects high quality articles and monographs. Your manuscript is reviewed by international referees selected by the Editorial Board.

Wide visibility

Annales de Physique's **new website** gives wide visibility to your monographs and articles and has a full-text semantic search engine to help you find the information you need at: www.annphys.org.

Easy linking

Using CrossRef® database, the "Citing articles" tool lists all articles citing the selected article. Linking is easy using the online reference links that give you direct access to all the major databases.

Alert services

Annales de Physique offers you free registration for the e-mail alert service that sends you an e-mail each time new articles are published online.

Flexibility

You have the opportunity to publish your article with all the figures in color free of charge in the online version and can also publish supplementary material (moving pictures, large tables, appendixes...) on *Annales de Physique's* website.

Copyright policy

You are free to post your article on your own website or the site of your institute as soon as it is published, provided the source is cited.

Pay-per-view

Using the pay-per-view option a non-subscriber can view and download the pdf of articles on the *Annales de Physique* website.

No page charge

Submitting and publishing your article is free of charge.

Editor-in-Chief

E. Suraud, Univ. Paul Sabatier, Toulouse, France

Article submission

Please contact one of the Scientific Editors listed on the website at www.annphys.org

Journal subscription

Please contact EDP Sciences at: subscribers@edpsciences.org

For general enquiries concerning the journal please contact:
